King Edward VII
The weight of history

A woman with dark hair pulled back is relaxing in a hot tub. She is looking off to the side with a slight smile. The hot tub has a chrome rim and a white towel is draped over the edge behind her. The background is a blurred view of a building through a window.

A Spa

for 21st century

A female doctor with blonde hair, wearing a white lab coat and a name tag that reads "Dr. Markita Brown", is seated in a black office chair at a desk. She is holding a clipboard and looking towards a male patient in a blue shirt who is seen from the back. The desk has a computer monitor, keyboard, and mouse. The background features patterned curtains and a window with sheer curtains.

Dear Mr. Tobrman,

You wrote last year to Her Majesty, Queen Elizabeth II, seeking Royal patronage for the Golf Club of Mariánské Lázně.

I am pleased to inform you that Her Majesty is content for the Golf Club of Mariánské Lázně to use the title "Royal" in view of the Club's historical connection with King Edward VII.

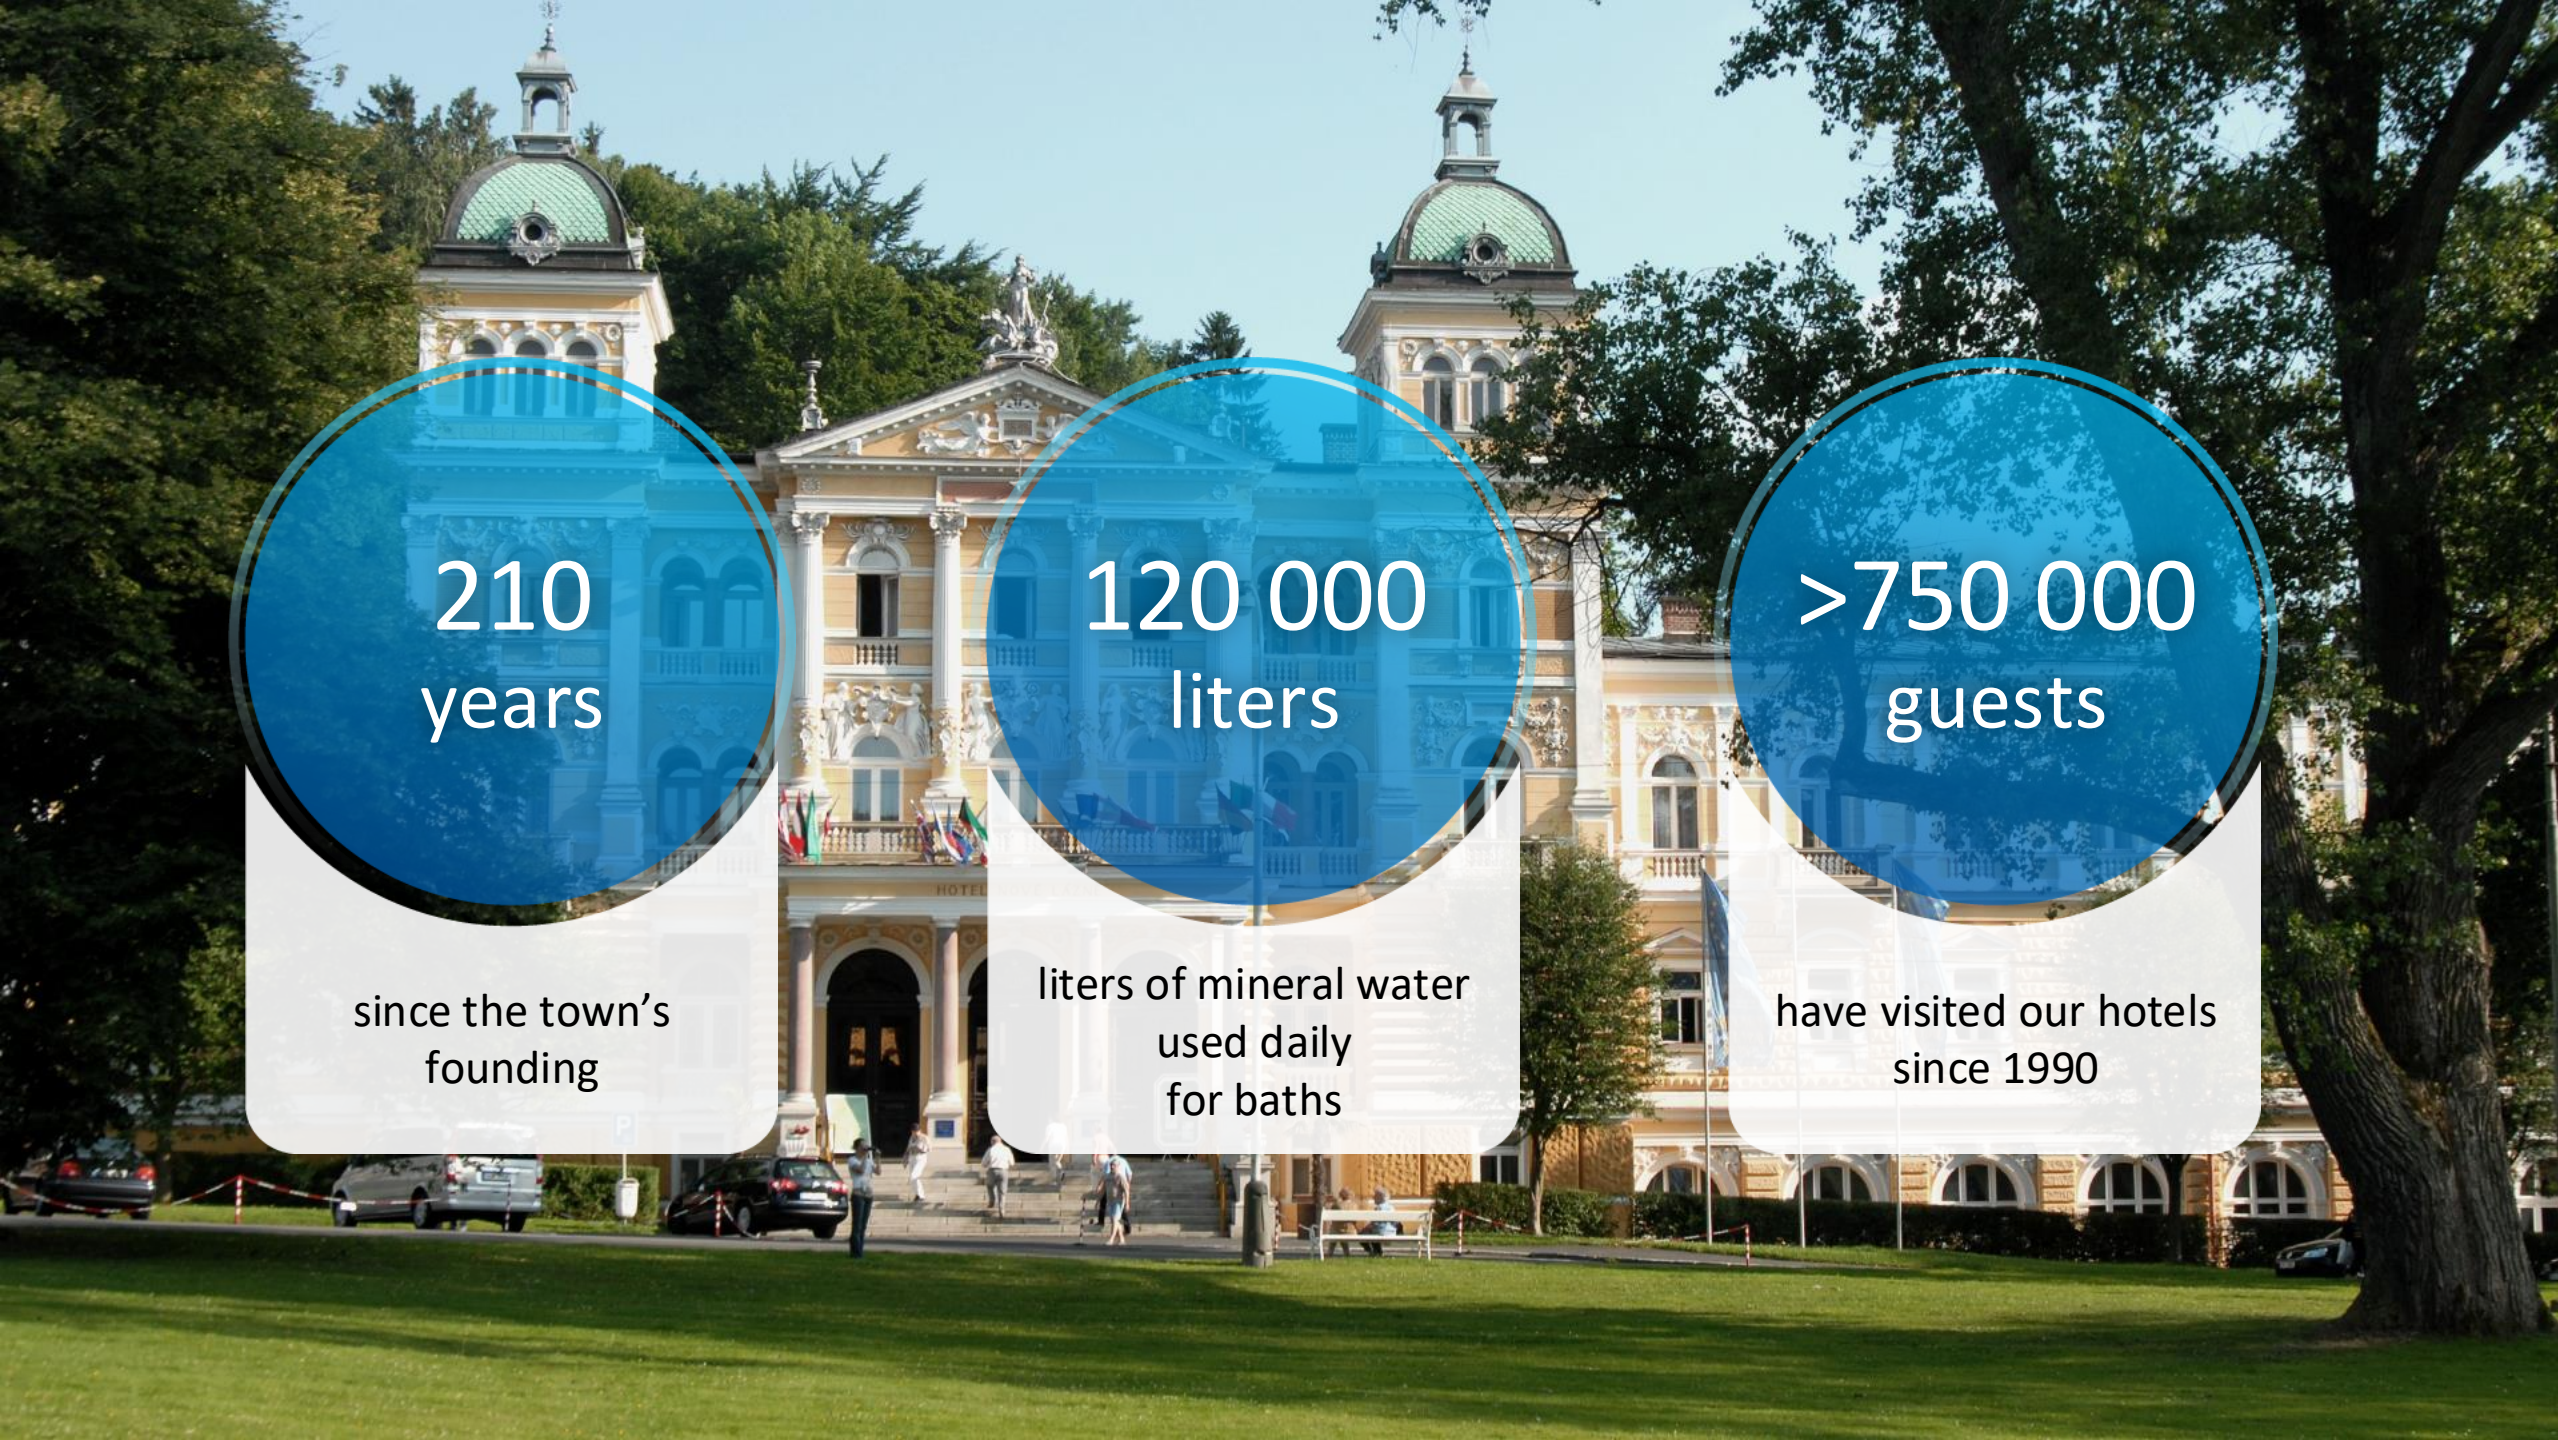

Yours sincerely,
Anne Pringle
